Daikin create this video? To inform customers and consumers about how Dohm can help tackle climate change in their home. That's why this video makes such a great resource for us, and we really hope it informs you too. A bit about Dohm Dohm is a market-leading air purifier manufacturer with over 35 years of innovation and development. We're extremely proud to be the largest air purifier brand in the world, and we're continually focused on improving our products and service to make sure we're delivering the best possible air quality. We make air purifiers for most of the top brands out there like Philips, iDevices, Neato and many more. Dohm's most recent innovation is
