I played all NEXT games, the whole four. It's really one of my favourite games for all time, why? - A great soundtrack. - Amazing concept of the game. - Challenging levels. - Lovely achievements. - Deserve buying.. Far and away the best and most fun of the 4. This one adds some fun new mechanics and cleaner design. It takes about 30-60 minutes to complete. If you like the others you'll like this one and if you like this you'll like the others.. I played all NEXT games, the whole four. It's really one of my favourite games for all time, why? - A great soundtrack. - Amazing concept of the game. - Challenging levels. - Lovely achievements. - Deserve buying.. Easy, land the green cube on the platform. Little challenged. Playable.. The most relaxing game among NEXT series.. iT MAKES FUN TO PLAY IT
