3D Home Architect

DESIGN SUITE DELUXE 8

3D Home Architect Design Suite Deluxe 8 lets you create the perfect home. Packed with powerful design capabilities and extensive reference resources, it's everything you need to bring your home design goals within reach. Experiment with structures - incorporate decks and patios, plus decorative and functional objects for every room in the house, plus the garden. Create structurally sound, fully framed deck plans with the new deck tool. Advanced terrain modeling tools create natural slopes and grades. Take advantage of 3DTrueView photo realistic rendering technology to view your plans onscreen in vivid, lifelike detail. Browse the catalog to incorporate gazebos, fountains, furniture, pools, even tennis courts, and more into your landscape plan. Support Windows.

Product Features

- * Powerful and easy-to-use home and landscape design software
- * Browse 1500 home plans and 7500-plant encyclopedia for inspiration
- * Create ready-to-build blueprint-style plans for home and landscape
- * Add sound effects and voice-overs to virtually animated tours
- * View project in realistic 3-D.
